## SOME PAROLES GIVEN

One Langhorne Couple Has  
Been Married For  
34 YearsDOYLESTOWN, Apr. 9.—Domestic  
relations court was filled to capacity  
yesterday as two Bucks county  
judges were busy all day hearing  
the shortcomings of numerous cases  
of marriages that have been threat-  
ened with partial or complete break-  
downs.A number of paroles were also  
granted by President Judge Hiram  
H. Keller and Judge Calvin S. Boyer  
during the day's session.Judge Keller told Robert Van-  
Auken, Sr., of near Quakertown,  
who carries home a take-home pay  
envelope of about \$35 a week, that  
he was "a poor but ambitious play-  
boy at the expense of his wife and  
family."VanAuken, who holds a civilian  
pilot's license as a hobby,  
was informed by Judge Keller that  
he is the type who "wants to be the  
tops in everything but is not willing  
to share with his wife." Judge Kel-  
ler made it plain that VanAuken  
"had too many women in his life,"  
and that he had better change his  
customs.The court directed that VanAuken  
pay an order of \$30 a week to Hor-  
ace E. Gwiner, public relations  
officer, to be paid over to Mrs. Edna  
VanAuken for her support and that  
of her three children. The court  
also ordered Mr. Gwiner to con-  
duct an investigation into Van-  
Auken's affairs, especially as to the  
amount of money that he is making  
and spending.Mrs. VanAuken testified that her  
husband brought home filthy sex  
movies and showed them at parties.  
She said that her husband told her  
that he had the protection of the  
Bethlehem police and could get away  
with the dirty movies any time.Judge Keller directed that Nich-  
olas Mandic, Quakertown pipe foundry  
worker employed at East Green-  
ville, pay his wife \$35 a week for  
the support of herself and four  
children, and that the county pay  
the costs in the case. Mandic testi-  
fied that he earned as much as \$85  
a week.Russell Henry, of 7 Reading ave.,  
Yardley, was ordered by Judge Kel-  
ler to pay \$35 a week toward the  
support of his wife and six children.  
The charge was brought by Mrs.  
Ferman Henry, whose husband is a  
railroader.The case of Commonwealth  
against Benjamin Ritter, of Lincoln

What do you think railroads make?

15%

What do you think they should make?

The public thinks 10% would be fair

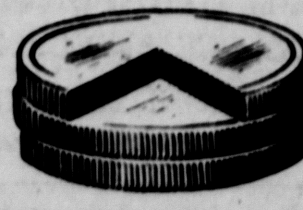

10%

What are the facts?

Actually the railroads earned only 2 3/4% in 1946.

To provide the service you want, railroads need to earn at least 6%. But estimates indicate that even with the recent freight rate increase, the return for 1947 will be only about half that requirement.

2 3/4%

## Why it takes 6% to make the grade...

Impartial research polls show that, on the average, people think we make 15%. They also think a fair return would be 10%.

### What We Make

But for the year 1946, with the biggest peace-time traffic in history, the railroads earned only . . . 2 3/4%. This is less than one-half the comparable earnings for other industries.

The reasons for this low return are not hard to find. Since 1939 railroad wages have increased 52 1/2% and the prices of fuel, materials and supplies have gone up 61 1/2%.

But freight rates have just recently been increased an average of only 17 1/2%—a year after the effective date of the last big wage increase.

### What About This Year?

It is estimated that the return for 1947, even with the recent freight rate increase, will be only about half the 6% minimum return required to provide the improvements and service needed. This will be because of increased costs of materials and supplies; because cer-

tain wage increases granted in 1946 were in effect for only part of 1946 but will be in effect for all of 1947; because of increased special payroll taxes on railroads; and because of a decline in passenger business.

### What Does This Mean To You?

The answer is "Plenty!" Your standard of living is the highest in the world because of MASS PRODUCTION. But mass production would not be possible without MASS TRANSPORTATION, which the railroads provide at low cost.

### Why 6% Is Needed

The kind of service your standard of living requires takes a lot of money for new equipment and improvements. To carry out the post-war improvement program for better equipment, tracks, terminals and modern safety devices, a minimum return of 6% is needed.

So when the railroads make only 2 3/4 cents on each \$1.00 of their net property investment, it concerns you.\*

The funds for future new equipment and improvements must come from railroad earnings and also from investors. They will furnish money on reasonable terms only if they have confidence in the future earnings of the railroads.

**You Have Another Stake In This**  
Even if you do not own any railroad stocks or bonds, insurance companies and savings banks do. So you still have a special interest in seeing that the railroads are allowed enough to do a good job . . . for you.

We are publishing this and other advertisements to talk with you at first hand about matters which are important to everybody.

\*On total property investment, the railroads made only 2.19%.

## Court Hears Troubles Of Married Couples

Continued from Page One

Highway, Langhorne, charged with non-support, was continued until an accounting could be made of the businesses conducted by Ritter. His wife, Ethel, testified that her husband conducts an antique shop and a grocery store and an auction house, all located at Langhorne opposite the speedway.

The Ritters have been married 34 years and Mrs. Ritter left her husband last January after working with him for years, helping him in his various businesses. She told Judge Keller that her husband had threatened to kill her and their children and that he had told her that if he had to pay a support order he would commit suicide or burn down his house.

Mrs. Ritter informed Judge Keller that she had a cash offer for the businesses in which she and her husband are engaged, of \$16,000 including the real estate. Mrs. Ritter told the court that she now works for an antique shop and earns \$5 a day and carfare to Morrisville and return, but that her husband gives her no support money.

A temporary order of \$15 a week was made by Judge Keller until the audit in the case has been completed and another hearing held in court.

An order of \$18 a week support was made by Judge Keller on Ernest T. Patzer, 27, of Hatboro, after his wife, Gladys, 23, had informed the

court that her husband made \$40 a week take home pay. Mrs. Patzer told Judge Keller that "we don't just get along together." The court informed both parties that in his opinion Patzer and his wife were too stubborn, and that both lacked the necessary co-operation to make a go of married life.

The case of Anidlo Fioranti, of Bristol, charged with non-support of his wife, was continued for one month until an investigation can be made. Judge Keller advised the defendant—who said that he was a painter and could not find work—to go out and take another look.

Judge Keller granted paroles yesterday to the following prisoners whose minimum term had expired: Mary Harris, Nesiminy Falls; Norman Kling, Doylestown; John Quarles, Newtown; Wilmer Grimes, 115 Cedar st., Bristol; and Clarence Short, 166 Ingham st., Trenton.

Surrounded by friends, we are lonely in the midst of pleasure, we are blue, a smile on our face, but a heartache. We are always thinking of you. When at times we seem to smile, Little do they know our sorrow. That we hold dear the while. We think of you in silence, No eyes can see us weep, But many silent tears are shed, While others are asleep.

### Today's Quiet Moment

By the Rev. Walter F. Humphrey  
Pastor  
Neshaminy Methodist Church  
Hulmeville

Our Father, we rejoice that we are Thine. Thou hast created us in Thy likeness and for Thyself. Thy love amazes us. We are perplexed when we think of Thy plans for us. We dare not try to live without Thee. Increase the faith which Thou hast put in each soul. We pray that Thou wilt guide us by Thy Spirit, and strengthen us by Thy wisdom, and make us victorious through the love of Christ. These mercies we ask in Christ's Name. Amen.

## SPORTSMEN TO PROBE CAUSE OF OIL ON RIVER

Reports of a heavy oil sludge on the Delaware River from Morrisville through Bristol were made last evening at the April meeting of the Bristol Fish & Game Protective Association in the Odd Fellows' Hall.

Fears were expressed for the safety of marine life as a result of this oil film. It was also pointed out that property and boats along the river have been coated with this substance.

The association plans an immediate appeal to the U. S. Coast Guard to investigate the condition. There were 175 members and guests present at the meeting last evening. Following the business session the group enjoyed refreshments and saw several good reels of movies. The movies were shown by C. W. Winter, President Ollie Hobbs was in charge of the meeting.

The fish committee reported that best fishing locally is still at Hulmeville on the Neshaminy, where nice catches of suckers are being made. Some yellow perch are being taken at Silver Lake and Maple Beach. Scattered reports of some small calico bass at Silver Lake were also made.

The Association voted to join the Middle Atlantic States Casting Association. Game Committee Chairman William Bossler asked for volunteers to finish the pheasant pens for the Bristol - Edgely pheasant-raising program.

From where I sit... by Joe Marsh

**And That Ain't Hay  
—Or Is It?**

I guess all of us secretly hanker, from time to time, for the good old days and the good old-fashioned pleasures. Leastways, Buddy Richards done a thriving business reviving the old-time hayride.

With a team of horses, and a stout straw-bedded rack, Buddy can take as many as thirty adults—at fifty cents a head!

Two or three times a week they start from Town Hall, and go out along the river; stop for a friendly glass of beer at Shoreside Tavern;

and come home by way of Pound Ridge... nine miles in all. Not very exciting, you might say. But from where I sit it's not excitement that we need these days—but those simple country pleasures that are part and parcel of America—the old-fashioned hayride with its song and jollity; the horsehoe games; the friendly glass of beer; and the good companionship that they engender.

Joe Marsh
